30th ANNIVERSARY OF OGT

OGT 2025 marks three decades of excellence as a leading platform for the global energy industry. Over the years, the conference and expo have played a pivotal role in shaping Turkmenistan's energy landscape, fostering international partnerships, and driving investment in the oil and gas sector. This milestone event highlights Turkmenistan's enduring commitment to innovation, sustainability, and energy security. As OGT enters its fourth decade, the 2025 edition will not only reflect on past achievements but also set the stage for future advancements, reinforcing its reputation as a key gathering for industry leaders worldwide. ”

Networking Coffee break zone

Networking Coffee Break Zone creates the right atmosphere for guests and participants to have an informal chat with each other. It also creates the right atmosphere for networking, gaining new contacts, and further developing your business in Turkmenistan.

The OGT EXPO outside space

The open space area located right outside the main Expo centre offers ample space for exhibiting vehicles and other oversize technical equipment. The area is visible from all four sides of the venue and within a few meters from the main hall.

Company presentation opportunity

The novelty of OGT EXPO this year is a designated presentation slot, where companies can introduce their goods and services to a target audience. The slot must be booked before the end of September by filling out the form on the following link:

<https://expo.ogt-turkmenistan.com/en/expo-floor-plan>

Once you submit your request, Turkmen Energy Forum team will contact your target audience and make sure they are invited to attend your presentation. The availability of slots is limited and will be offered on a first come first served basis.
