OGT 2025
INTERNATIONAL CONFERENCE & EXPO

30th
anniversary

30th ANNIVERSARY OF OGT

OGT 2025 marks three decades of excellence as a leading platform for the global energy industry. Over the years, the conference and expo have played a pivotal role in shaping Turkmenistan's energy landscape, fostering international partnerships, and driving investment in the oil and gas sector. This milestone event highlights Turkmenistan's enduring commitment to innovation, sustainability, and energy security. As OGT enters its fourth decade, the 2025 edition will not only reflect on past achievements but also set the stage for future advancements, reinforcing its reputation as a key gathering for industry leaders worldwide. ”

TOP 5 REASONS TO EXHIBIT AT OGT 2025

☐ Meet Decision-Makers & Policymakers Engage directly with senior officials from Turkmenistan's energy, investment, and regulatory bodies to gain exclusive insights into national hydrocarbon strategy, new licensing rounds, and investor protections under state-guaranteed frameworks

☐ Unlock Access to the World's 4th Largest Gas Reserve, by exploring opportunity to participate in major projects onshore and offshore, including the Galkynysh field, the TAPI pipeline, and Caspian offshore blocks—with active involvement from companies like Dragon Oil, Petronas, ENI, CNPC.

☐ Showcase in a Growing Energy Transition Market Position your technologies and services within a dynamic platform focused on methane reduction, CUS, renewables (including solar, wind, and hybrid), and digital innovations aligned with Turkmenistan 2021 Renewable Energy Law and its decarbonization goals.

☐ Network with 10,000+ Industry Professionals Connect with global IOCs, EPCs, financial institutions, and multilateral organizations—such as Shell, ExxonMobil, ADB, Islamic Development Bank, and UN agencies—on a highly international stage.

☐ Promote Your Solutions in Downstream, Refining & Tech Sectors Demonstrate your value across the energy value chain—gas-to-liquids (GTG), petrochemicals, refinery modernization, AI/automation, and skilled workforce development—through exhibitions, workshops, and technology demos.

Networking Coffee break zone

Networking Coffee Break Zone creates the right atmosphere for guests and participants to have an informal chat with each other. It also creates the right atmosphere for networking, gaining new contacts, and further developing your business in Turkmenistan.

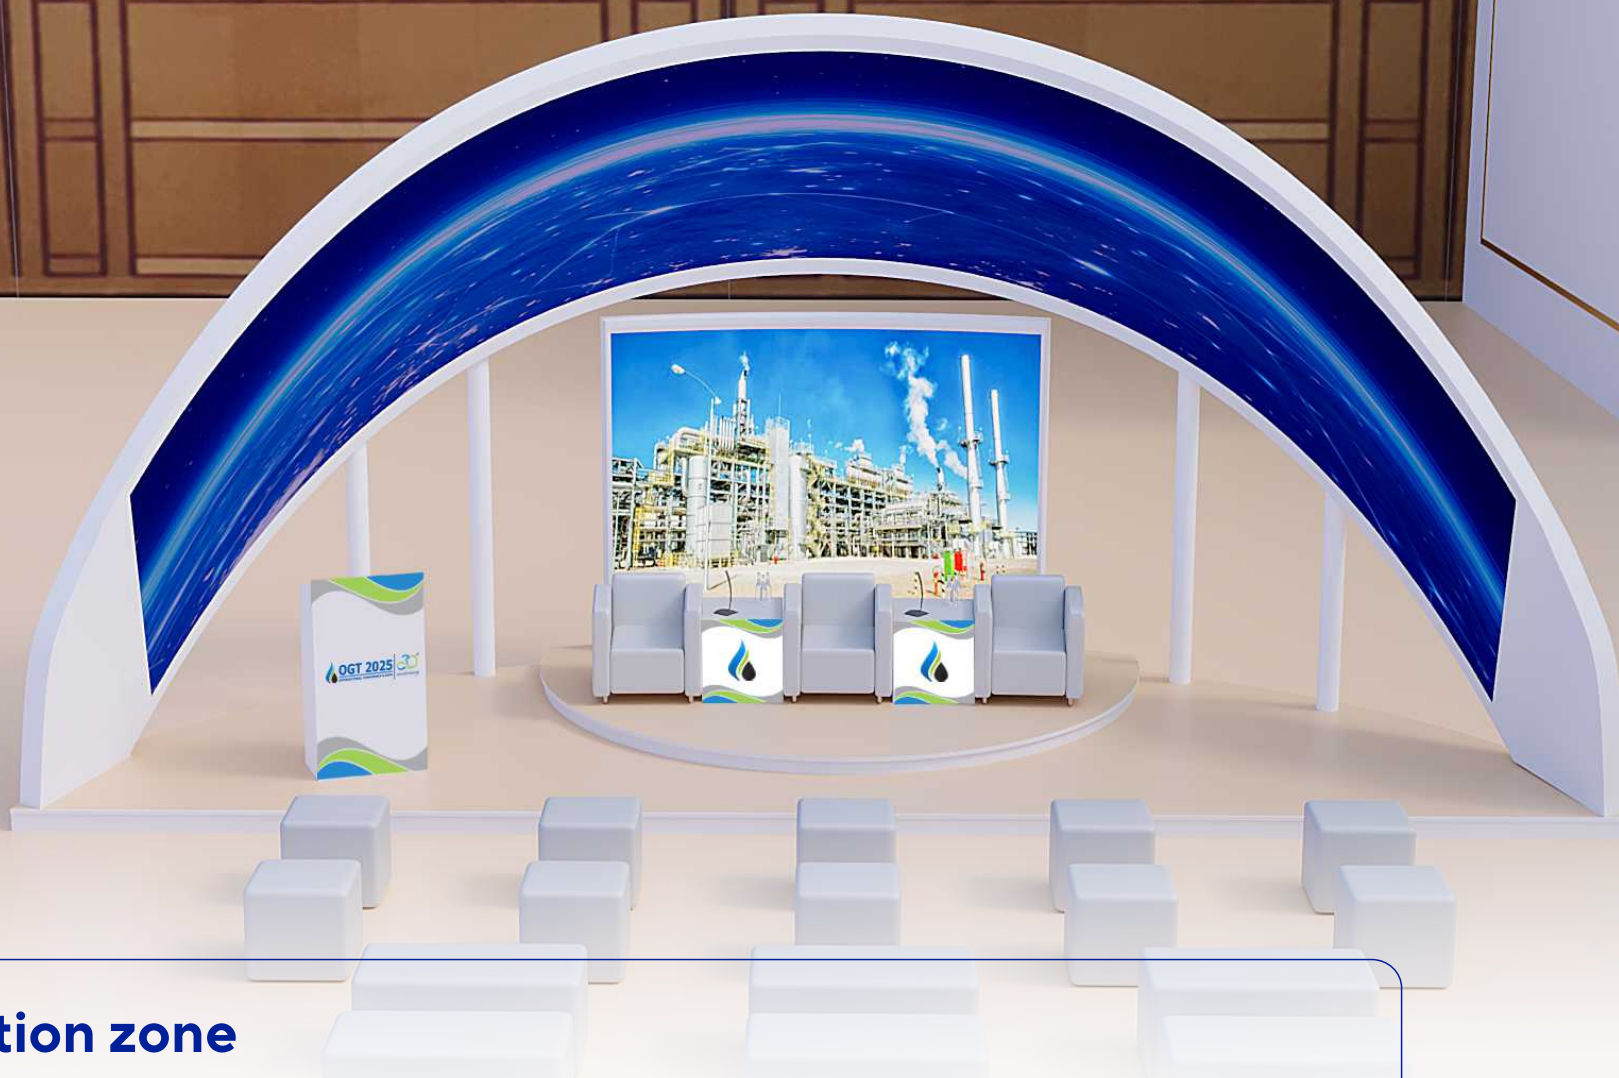

Presentation zone

The novelty of OGT EXPO this year is a designated presentation slot, where companies can introduce their goods and services to a target audience. The slot must be booked before the end of September by filling out the form on the following link:

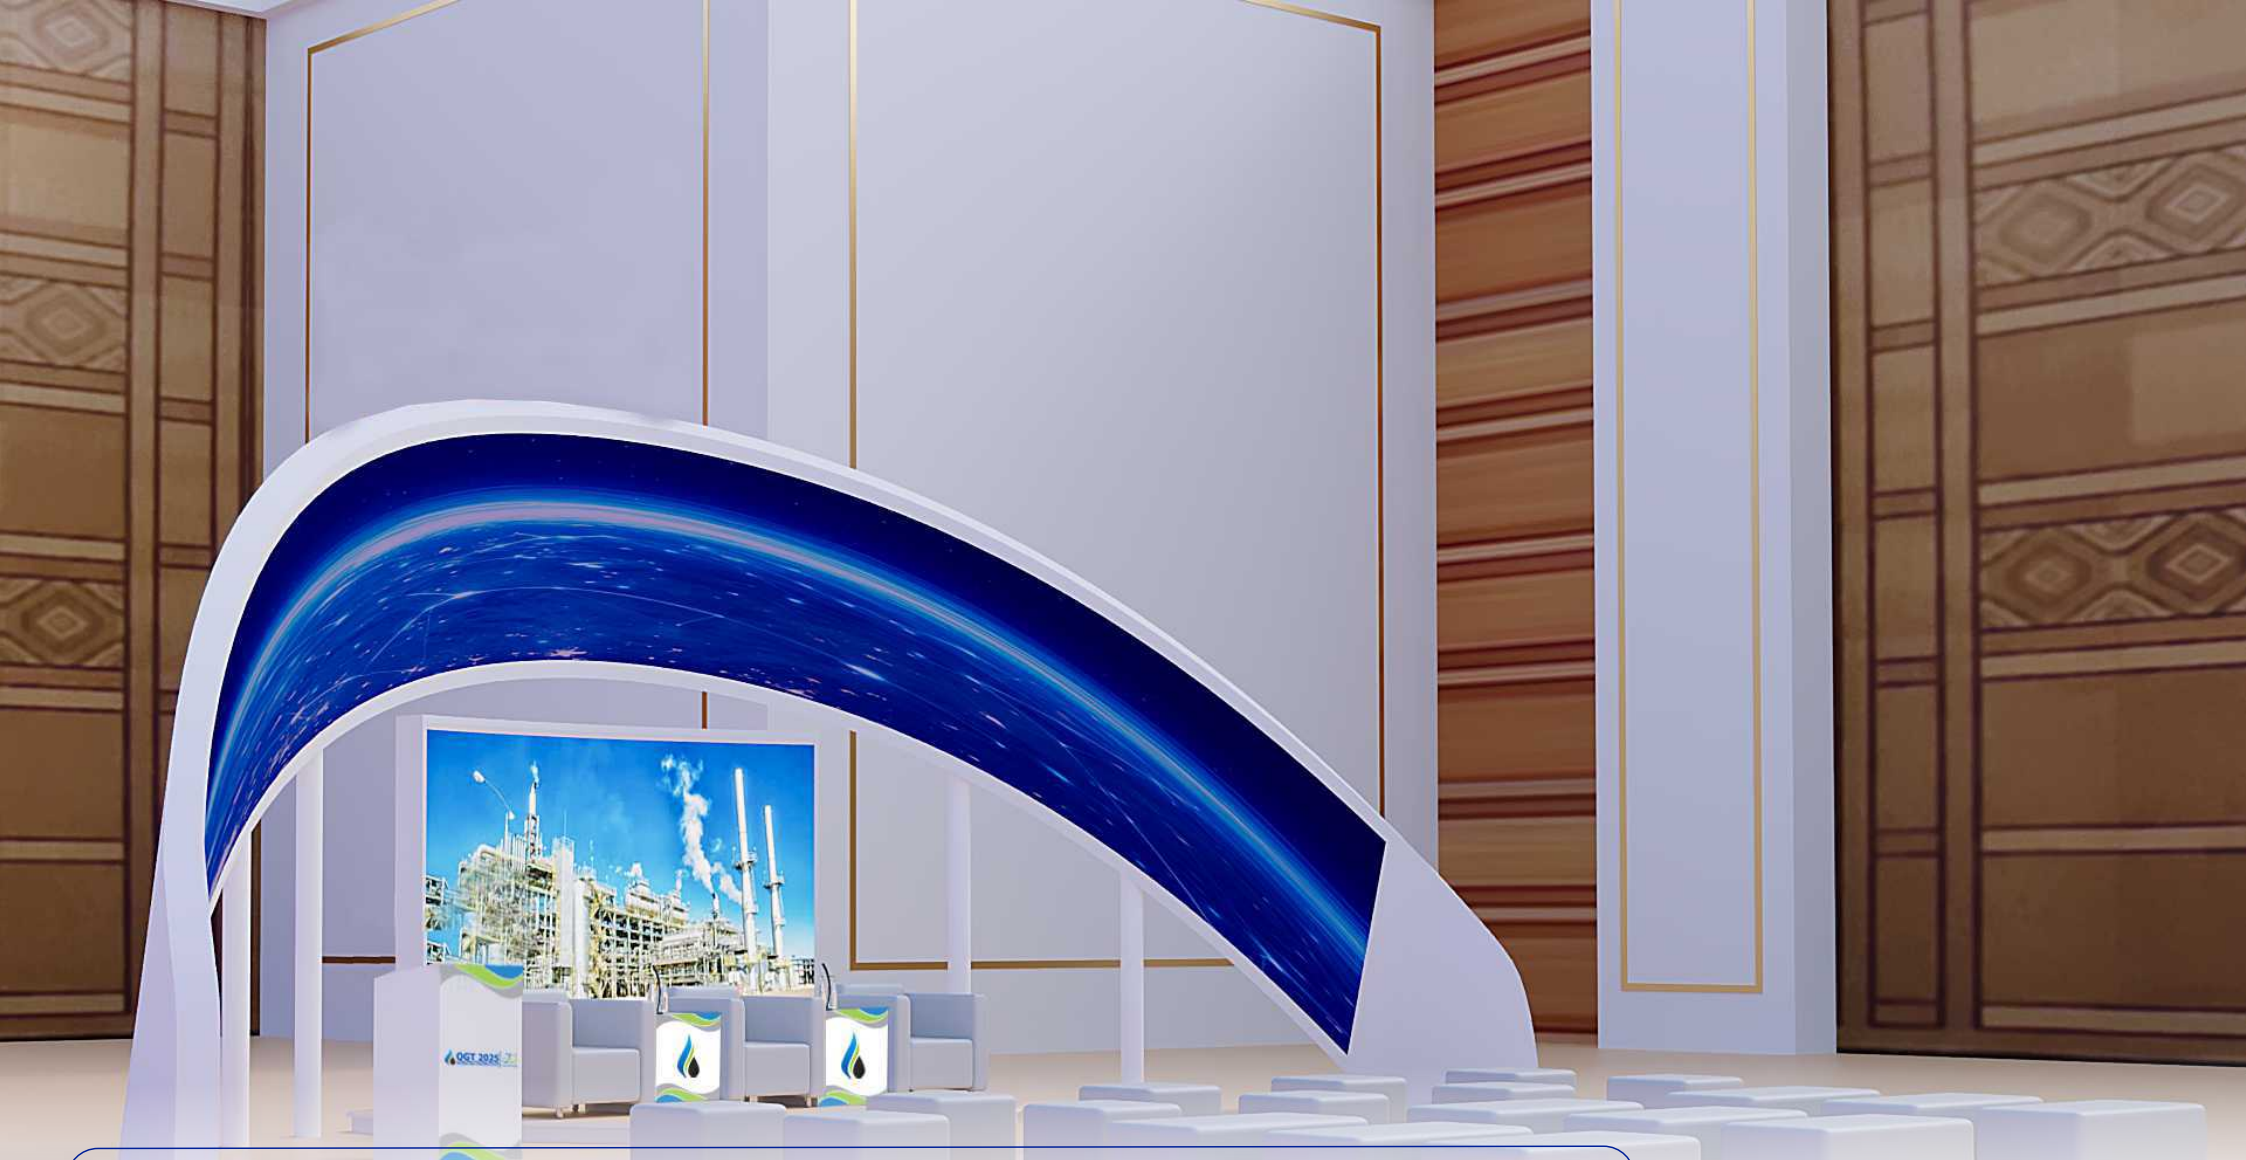

<https://expo.ogt-turkmenistan.com/en/presentation-request>

Once you submit your request, Turkmen Energy Forum team will contact your target audience and make sure they are invited to attend your presentation. The availability of slots is limited and will be offered on a first come first served basis.

Presentation zone

As part of the landmark 30th International Conference and Exhibition “Oil and Gas of Turkmenistan – 2025”, we are honored to introduce the Presentation zone, a distinguished platform dedicated to advancing dialogue, fostering cooperation, and showcasing pioneering achievements in the global energy sector. This exclusive initiative has been conceived to provide leading companies, institutions, and innovators with an unparalleled opportunity to present their most advanced products, services, and technological breakthroughs.

Features of Zone

- ❑ High-definition displays, professional sound systems, and advanced presentation tools
- ❑ Private, comfortable spaces in B2B Meeting zone for one-on-one meetings with potential partners and clients
- ❑ Dedicated staff to assist with setup, presentations, and any technical requirement
- ❑ Professional interpreters for multiple languages to ensure effective communication
- ❑ Dedicated high-speed internet and digital connectivity for seamless presentations

B2B Meeting Zone

- ☐ Enhanced high-value networking and deal-making
- ☐ A direct boost to productivity and talent attraction and retention
- ☐ Tangible operational benefits: pollution mitigation and employee well-being
- ☐ Demonstration of leadership in climate resilience and biodiversity
- ☐ Alignment with national and global sustainability agendas

REASONS TO EXHIBIT

- ▣ Establish and develop business relationships with key decision-makers and buyers from across the energy value chain to foster collaboration and promote the integration of artificial intelligence (AI) across various sectors
- ▣ Showcase your flagship products and services alongside with prominent energy players like ENI, Dragon Oil, CNPC, and Petronas and others
- ▣ Gain entry to the Asian and regional market and establish your presence in one of the world's most resource-rich regions

OPPORTUNITIES TO EXHIBIT

- ▣ Use the curated networking environment to connect with potential investors, clients, and strategic allies
- ▣ Benefit from enhanced media and press coverage, as the Innovation showcase zone attracts attention as a centerpiece of the exhibition
- ▣ This zone encourages dialogue not only within oil and gas but across industries – from renewable energy to digital technologies – opening doors to unexpected synergies

▣ Exhibiting in this zone positions your company as a pioneer in energy transition and sustainability, affirming your role as a forward-thinking leader ready to meet global challenges with technological excellence

▣ Be part of the landmark 30th anniversary celebration with enhanced media coverage and historical significance 30th Anniversary "Oil & Gas of Turkmenistan – 2025"

▣ Opportunity to position your company as an industry leader through scheduled presentations and panel participation

▣ Premium positioning in the exhibition hall with dedicated signage, digital displays, and inclusion in all event marketing materials

WHO WILL YOU MEET

By exhibiting your organization will connect with operators, investors, technology providers, policymakers, and end-user industries across the energy and logistics supply chain.

Attendees:

- ▣ Energy equipment manufacturers
- ▣ Government and regulatory bodies
- ▣ Academic and research institutions
- ▣ Key Energy companies
- ▣ Construction and engineering companies
- ▣ Logistics and transportation companies
- ▣ Food industry companies
- ▣ IT industry companies
